Clarifications

Item 4. Question: Can the Notice to Proceed be pushed back to after New Year and/or after hunting season?

Answer: Notice to Proceed start date is negotiable after award provided no changes to Contract Prices and Contractor can demonstrate the work can be completed prior to SCIP completion milestone (June 2026).

Item 5. Question: Would you consider specifying the use of VeriCure for temperature monitoring of the CIPP cure as part of the QA/QC process?

Answer: Reference Section 33 05 23.22 Section 3.5.G for temperature curing monitoring requirements. It is anticipated water level to be above pipe and potential for heat sinks during the cure. For nominal 15” pipe or greater, liner temperature monitoring along alignment of pipe is required.

Item 6. Question: Would you consider United Felts an approved CIPP Liner manufacturer per Section 33 05 23.22 Part 2.1-A?

Answer: United Felts (Martinsville, Virginia) and Applied Felts, (Martinsville, Virginia) are considered “or equal” CIPP liner suppliers. Contractor and/or Supplier responsible resin meets specification.

Item 7. Question: Is there an approved budget or engineer’s estimate for the following project?

Answer: Approximate opinion of cost for the Base Bid is provided on SCBO. No additional cost estimation information to be provided.

Item 8. Question: Are there liquidated damages and what is the amount?

Answer: Reference Section 00 52 13 “Agreement between Owner and Contractor for Construction Contract”, Paragraph 4.05.

Item 9. What should the submission bid package consist of, 1 original and 1 copy?

Answer: Reference Section 00 21 13 Instructions to Bidders.

Item 10. By submitting signed bid, the Contractor is certifying compliance with the Byrd Anti-Corruption Amendment.

Receipt of this addendum must be acknowledged on Page 00 41 13-1 of your Bid Form.

Sincerely,
