4. Which best describes the size of your operation:

- Greater than 20,000 barrels per year
- Between 15,000-20,000 barrels per year
- Between 5,000- 15,000 barrels per year
- Between 2,000-5,000 barrels per year
- Between 1,000-2,000 barrels per year
- Between 500-1,000 barrels per year
- Less than 500 barrels per year

5. What is your current production-to-wastewater ratio? _____

6. Is alcohol produced at this facility available for purchase and consumption off-site? Yes No

7. Which treatment processes are present at your facility to treat waste streams that are then discharged to the sanitary sewer? (check all that apply)

- Solids filtration
- Solids settling
- Acid/base neutralization
- No treatment
- Other _____
- Other _____
- Other _____

8. How do you dispose of the following waste streams:

- | | | |
|--------------------|---|---|
| Spent grain/barley | <input type="checkbox"/> Solid waste (landfill) | <input type="checkbox"/> Compost (farm) |
| | <input type="checkbox"/> Sanitary sewer | <input type="checkbox"/> Other: _____ |
| Spent yeast | <input type="checkbox"/> Solid waste (landfill) | <input type="checkbox"/> Compost (farm) |
| | <input type="checkbox"/> Sanitary sewer | <input type="checkbox"/> Other: _____ |
| Kettle hops/trub | <input type="checkbox"/> Solid waste (landfill) | <input type="checkbox"/> Compost (farm) |
| | <input type="checkbox"/> Sanitary sewer | <input type="checkbox"/> Other: _____ |
| Fruit solids | <input type="checkbox"/> Solid waste (landfill) | <input type="checkbox"/> Compost (farm) |
| | <input type="checkbox"/> Sanitary sewer | <input type="checkbox"/> Other: _____ |

List the farms that receive compost: _____

List other types of disposal methods: _____

9. Do you use cartridge filters or diatomaceous earth to filter your product? Yes No

If "Yes", if so please list disposal method: _____

10. List the volume of the following items used/disposed of per week:

Yeast: _____	Hops: _____
Grain: _____	Waste Beer: _____
Diatomaceous Earth: _____	Other: _____

11. Is there food served at this location? Yes No

If "Yes," is there a grease interceptor or trap in place? Yes Size: _____ No

Where is the grease interceptor/trap located? _____

OJRSA Brewery/Winery/Cidery/Distilled Spirits Questionnaire

Who services the interceptor/trap? _____
At what frequency is the interceptor/trap serviced? _____

Surveys must be completed and returned to the OJRSA within 15 days of receipt to:

Oconee Joint Regional Sewer Authority
ATTN: Pretreatment Coordinator
623 Return Church Road
Seneca, South Carolina 29678
