Broadcasting of OJRSA public meetings on YouTube

SENECA, S.C. -- Beginning July 1, 2024, audio and video of Oconee Joint Regional Sewer Authority public meetings can be accessed on YouTube at www.youtube.com/@OconeeJRSA.

Viewers are encouraged to subscribe as livestreaming of meetings may be available in the future.

Audio from previous meetings is available upon request by contacting the OJRSA.

About the Oconee Joint Regional Sewer Authority:

The Oconee Joint Regional Sewer Authority (OJRSA) is a governmental agency providing wastewater conveyance and treatment service to the cities of Seneca, Walhalla, Westminster, the town of West Union and their surrounding areas. With the help of its dedicated team, each day it treats and reclaims three million gallons of water for its customers and community. Learn more at www.ojrsa.org.
